We are in search of qualified persons who are interested in a commitment to progress as we move forward to the fulfillment of our goal as the Leading Caribbean Airport.

MBJ Airports Limited invites applications for the position of:

Senior Security Coordinator

Reporting to the Security Manager, the Senior Security Coordinator will provide assistance to the Security Manager in the administration of the Security Programme for the Sangster International Airport. The Senior Security Coordinator will coordinate security related activities within MBJ and with the airlines, tenants, contractors, government agencies, and regulatory bodies to ensure effective delivery of service. The incumbent will assist in supporting the day-to-day activities of the Security Department and provide supervision of contract security personnel to maintain adequate protection of all airport users, the facility and property.

Qualifications and Experience:

- BSc. preferably in Security Management, Management Studies, Business Administration or equivalent qualifications from a recognized tertiary institution.
- Minimum of two (2) years' supervisory level experience in a structured work environment, such as the Security Forces or the Safety and Security Division of a large industrial organization.
- Working experience in an Airport Security Environment including exposure to all aspects of Aviation Security, Safety, Crash and Rescue Operations would be an asset.
- Certificate in the Management of Aviation Security would be an asset
- ASIS Board Certification in PSP/CPP/PCI would be an asset.

Specific Knowledge Required:

- Sound knowledge of security measures and techniques used in airport/industrial environment
- Sound knowledge of restricted area access control system applications and methods
- In-depth working knowledge of sophisticated electronic and computerized security systems
- Sound knowledge Access Control and Area Monitoring (ACAM) systems
- Excellent knowledge of computers and Microsoft Office applications
- Sound knowledge of the legal framework governing security operations
- Sound knowledge of ICAO Annex 9 & 17 SARPS and related JCAA Regulations
- Sound knowledge of aviation security quality assurance principles and practices

The ideal candidate should have excellent time management skills, the ability to demonstrate good reasoning power and judgment and the ability to work independently with minimal supervision.

Interested persons should submit their applications no later than Friday February 23, 2018 to:
