MBJ Airports Limited

We are in search of qualified persons who are interested in a commitment to progress as we move forward to the fulfillment of our goal as the Leading Caribbean Airport.

MBJ Airports Limited invites applications for the position of:

Firefighter

The Firefighter undertakes the care and operation of firefighting appliances and equipment to provide protection for all airport users and property. The incumbent is accountable for the accurate and timely relay and recording of information during a tour of duty, while fulfilling support roles to other operational divisions.

Qualifications and Experience:

- ✚ Four (4) GCE Ordinary level passes or CXC Proficiency level certification in the following subjects: English Language, Mathematics and a Science subject
- ✚ Minimum of one (1) year's structured work experience in the Security Forces or the Safety and Security Division of a large industrial organization.
- ✚ Valid Open Drivers' License

Specific Knowledge Required:

- ✚ Sound knowledge of aircraft materials and construction, emergency response, types of fire and firefighting equipment agents and techniques
- ✚ Sound knowledge of radio telephone techniques and procedures
- ✚ Sound knowledge of the use and operation of SCBAs
- ✚ Ability to follow written and oral instructions
- ✚ Displayed knowledge of types of extinguishing agents and their application
- ✚ Training in First Aid/CPR and aspects of aviation security
- ✚ Working knowledge of rescue boat operations and marine rescue techniques

Interested persons should submit their applications by **November 3, 2014** via email to vacancies@mbjairport.com

We thank all candidates for their interest but wish to advise that only those short-listed for interviews will be contacted.

All shortlisted candidates will be required to perform a series of physical fitness tests. Only those that satisfactorily meet the requirements of the physical testing will move forward in the final selection process.
