We are in search of qualified persons who are interested in a commitment to progress as we move forward to the fulfillment of our goal as the Leading Caribbean Airport.

MBJ Airports Limited invites applications for the position of:

Firefighter

The Firefighter performs duties in the fire services area of assignment and airport operations, to include responding to aircraft emergencies and fires occurring on airport property; inspections relating to airfield, ARFF equipment, fuel farm, fire extinguishers and hydrants; undertakes the care and operation of firefighting appliances and equipment to provide protection for all airport users and property; accountable for the accurate and timely relay and recording of information during a tour of duty, while fulfilling support roles to other operational divisions.

Qualifications and Experience:

- Associate Degree or Diploma in Business Administration, Management Studies, Engineering or any other related field
- PLUS
- A minimum of one (1) year's structured work experience in the security forces or safety division of a large industrial organization
- AND
- A minimum of one (1) year on-the-job work experience in emergency response with exposure to all aspects of aircraft rescue and firefighting and safety practices.
- Training in Microsoft Office Suite.
- Must have a valid open drivers licence.

Specific Knowledge Required:

- Sound knowledge of aircraft materials and construction, emergency response, types of fire and firefighting equipment agents and techniques
- Sound knowledge of the Aviation Safety and Airside Operations as well as airport layout and topography
- Working knowledge of rescue boat operations and marine rescue techniques
- Training in First Aid/CPR and aspects of aviation security
- Working knowledge of airport Safety Management Systems

Interested candidates should submit applications via email to vacancies@mbjairport.com or apply in writing no later than **January 8, 2024**, to:
