

CREATIVE HOST SERVICES LANDS IN MONTEGO BAY

Montego Bay, Jamaica (February 23, 2006) – New restaurants open to serve international and transit passengers at Sangster International Airport.

Creative Host Services is pleased to announce the opening of their new dining facilities at the new Sangster International Airport eastern concourse in Montego Bay, Jamaica.

After a competitive bid process, Creative Host Services was awarded an eight-year contract for their restaurants and food concessions by MBJ Airports Limited (MBJ).

Restaurants include the Jamaican Bobsled Café, named in tribute for the world-famous Olympic team, Red Stripe Bar, inspired by the local, yet world-famous, ale; and the Vibe Lounge, a smoking lounge which celebrates the roots of the casual lifestyle here in Jamaica. The official opening is slated for February 23rd, 2006.

Paul Damico, executive director for Creative Host, stated, “We are extremely proud to have been selected as a concessionaire for this beautiful new concourse in Montego Bay. We look forward to a long and successful relationship with MBJ Airports Limited and to providing a new level of service to its customers”.

When asked to comment, David Solloway, MBJ Airports Limited director of marketing and airport spokesperson said “it is indeed a pleasure to have the Creative Host family in our new concourse. The opening of their three new outlets will bring their number of retail stores to four, as they currently operate the Jamaica Bobsled specialty shop in the departures terminal building. This is a great compliment to MBJ, as we continue to work towards our commitment to operate Sangster International Airport in a manner which reflects Jamaican culture and hospitality”.

When answering questions concerning the new stores Mr. Damico explained “The Jamaican Bobsled Café will offer specialty merchandise, as well as local and international cuisine. The Red Stripe Bar will provide a mix of quick and healthy snack foods as well as authentic licensed apparel found nowhere else in Montego Bay. Additionally, the Vibe Lounge will provide smokers with a comfortable well ventilated retreat and offer a full range of beverages”.
