MBJ Awards over 180 Students with Grants

Approximately 180 students are set to benefit from academic grants after Monday's staging of the Team Sangster Charity Run/Walk Grants handover ceremony held by MBJ Airports Limited (MBJ), operator of the Sangster International Airport (SIA).

The ceremony, which was hosted on the grounds of SIA, saw students from across western Jamaica proudly clad in uniforms feted to an inspirational evening of activities and entertainment. The recipients ranged from the primary education level to those pursuing tertiary studies in both local and international universities.

Through its many sponsors, MBJ Airports Limited was able to raise \$11 million during the third staging of the annual MBJ Team Sangster Charity Run/Walk, held on September 11. This is a remarkable increase from the \$4.5 million raised in 2022 when 50 students were direct recipients of academic grants.

An impressive 87 individuals and four community groups consisting of over 90 individuals are beneficiaries of this year's grants.

This initiative is a testament to the positive impact that can be made when corporate entities join hands and hearts to make a difference in the community.

Delivering an inspiring keynote address was the principal of St Mary's Preparatory School, Dr Anthony Taylor who emphasized the importance of obtaining a solid education to the recipients.

I am imploring you to make the best of your education journey and at some stage in your life, relive the same kindness that would have been vested in you to someone else

"The grant is just telling you that someone believes in you. You have to show them that you believe in yourself and that you are going to be that beacon in your life so that someone can speak of your kindness 10 years from now," he charged.

Dr. Taylor also commended the team at MBJ Airports Limited and their many valuable sponsors for organising this initiative to positively impact the lives of these youths.

"I want to commend the team who initiated this programme and I commend you because you are doing something good," he said.

We know people are in need and we are here to help to ensure that students are able to get the education that they require

MRS. SHARON HISLOP-HOLT

As she was greeted with the smiling faces of recipients and their parents during Monday's ceremony, Mrs Hislop-Holt reiterated MBJ's drive to impact Jamaican youths through education – a pillar to success.

"We are excited to be here another year celebrating this event. MBJ celebrates its 20th anniversary this year and we have always had a commitment to education and as we grew over the years, that commitment has only grown and strengthened," she said.

For Shane Munroe, CEO of MBJ Airports Limited, this initiative is a testament to the positive impact that can be made when corporate entities join hands and hearts to make a difference in the community.

Before the evening was brought to an end, members of the Jackie Norman Youth Empowerment Programme's (JNYEP) band brought the roof down with their rendition of Bob Marley's Redemption Song and Ain't No Sunshine by Bill Withers. They were also a recipient of the Inclusivity Grant during Monday's ceremony.
