Frontier is focused on more than low fares. The carrier offers customers the ability to customize travel to their needs and budget. For example, customers can purchase options a la carte or in one low-priced bundle called the WORKSSM. This bundle includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees, and priority boarding.

The airline's frequent flyer program, *FRONTIER Miles*SM, lets members enjoy many benefits as well as the ability to attain Elite status. Like the airline, *FRONTIER Miles* is family friendly and the program makes it easy for families to enjoy the rewards together, including family pooling of miles. *FRONTIER Miles* is aptly named because you earn one mile for every mile flown - no funny formulas at Frontier. Whether customers travel a little or a lot, they will find *FRONTIER Miles* rewarding.
