

**NOTICE OF TENDER
RENOVATION OF THE SANGSTER INTERNATIONAL
AIRPORT (SIA) TERMINAL GATES 1-5 HOLD ROOM
SPACES
REFERENCE NUMBER: RFP# BU2202**

MBJ Airports Limited, the operator of Sangster International Airport (MBJ), hereby invites proposals from suitably qualified construction companies for the renovation of Gates 1-5 hold room spaces. The works include selective demolition and removals of existing finishes, installation of new as specified, and MEP work at the SANGSTER INTERNATIONAL AIRPORT.

Scope of Works: The works will consist of the following activities:

- All equipment and material used in the performance of the contract must be certified by an accredited certification organization acceptable to MBJ. All costs of approval will be at the Proponent's expense.
- It is the Proponent's responsibility to ensure that MBJ has all licenses required to use any software that may be supplied.
- It is a requirement that the Proponent will responsibly manage and protect the integrity, reliability, and confidentiality of MBJ's information and the security of its physical assets.
- All equipment, tools, etc. required must be supplied by the successful Proponent. MBJ will consider request for site office space.

- Tender documents will become available on Friday, April 5, 2024

Companies interested in participating in this tender exercise must register their interest and obtain a copy of the Tender Documents. Registration and requests for documents can be made to:
