

We're here for you.

Sangster International Airport remains operational and continues to facilitate the transit of passengers, except where travel restrictions are in effect.

Travel restrictions are currently in effect for the following:

China, France, Germany, Iran, Italy, South Korea, Singapore, Spain, and the United Kingdom.

For more information on these restrictions, consult the Ministry of Health & Wellness.

Note: Jamaican citizens and those with permanent resident status will be admitted. Conditions Apply.
