

PROCUREMENT ADVANCE NOTICE
AIRSIDE IMPROVEMENT PROJECTS
SANGSTER INTERNATIONAL AIRPORT
MONTEGO BAY, JAMAICA

MBJ Airports Limited, operator of Sangster International Airport (MBJ), intends to procure Construction Contractors to provide the services summarily detailed below as part of ongoing airport improvements efforts to meet local and international standards; and to showcase SIA to the world as a destination in and of itself that offers products and services travelers can look forward to.

Procurement of Works - Runway 07-25 Extension and Threshold Relocations

Runway Extension - Scope of Works includes:

- Demolition and Removal
- Site Preparation
- Earthworks and Drainage
- Runway Extension of approx. 500 meters and Establishment of RESA's
- Threshold Relocation – Runway 25 End
- Threshold Relocation – Runway 07 End
- Perimeter Road and Fence

- Tender documents will be made available on September 29, 2020
