

CERTIFICATE of ACCREDITATION

Valid until November 19, 2022

This is to certify that **Airport Carbon Accreditation**, under the administration of WSP, confirms that the carbon management processes at

Sangster International Airport
implemented by **MBJ Airports Limited**

have earned the accreditation level of **MAPPING**, in recognition of the airport's actions to address its CO₂ emissions, as part of the Global airport industry's response to the challenge of Climate Change.
